

ACCESSING ABORTION IN GEORGIA

Abortion remains legal in the state of GA. There is a 24 hour waiting period after counseling to obtain an abortion (pill or procedure). Minors must notify parents, however, judicial bypass is an option.

WHEN CAN A PREGNANT PERSON OBTAIN AN ABORTION

In GA, a pregnant person can obtain an abortion before 20 weeks. After 20 weeks, abortions can only be performed in life endangerment cases.

AFFORDABLE CARE ACT (ACA) & HYDE AMENDMENT

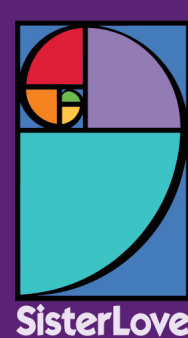

ACA

Only allow abortions in cases of life endangerment or severely compromised health

HYDE AMENDMENT

Prevents the utilization of federal funds for abortion procedures

MYTHS ABOUT ABORTION

-  Myth: It is dangerous procedure
-  Fact: Abortion is fourteen times safer than childbirth. Most people do not suffer from severe complications.
-  Myth: having an abortion now will prevent pregnancies in the future
-  Fact: In most cases, having an abortion does not affect future fertility.
